Political Dogwhistles

Look at the accompanying link, of images of political dogwhistles.

(A) Pick any TWO (2) of the images of dogwhistles, and write a short paragraph explaining how these two images are similar in message – it could be any topic or message (or intended audience) similarity you see, such as in theme or style, etc. You should provide specific details from the images that show those similarities, and explain how they are trying to accomplish something similar.

(B) Then pick TWO (2) other images, and do the same thing, writing a second paragraph that explains the similarities you see.

(C) Third, pick ONE (1) of the remaining two images, and think of something else you know that relates to it – it could be political, or literature, or something from history class, etc. Write a third paragraph that explains those similarities.

(D) Finally, using the remaining image, think of another idea or ad or book or fact that you know that relates to it, writing a fourth paragraph that explains the similarities
